## 2014 Napa Estate Mayacamas Range Zinfandel

*The Mayacamas Range Zinfandel is our primary estate wine from 100% Napa Valley organically grown grapes. Here you will find all the varietal character and fruit for which Zinfandel is famous, plus the depth and structure associated with Napa hillside vineyards, and the balance for which Storybook wines are known. Crafted to be enjoyed on release, the wine's notable depth and balance will continue its appeal well into the future.*

### Tasting notes:

*"Jerry Seps blends this to be the most approachable wine from his estate in the foothills of the Mayacamas. He pulls it off his northeast-facing hillsides, which consistently grow fragrant zinfandel that he shepherds toward a fresh and elegant style. His 2014 is cool, fat and juicy, a dynamic contrast of bright floral cherry notes and earthy savor. Decant it for roast eggplant stuffed with veal."*

### Vineyard:

*Occupying a mountainside at the head of the Napa Valley, Zinfandels were first planted here in 1883. It is a grape unusually well adapted to the red clay loam soils, eastern exposures and microclimate of our hillside estate. The vines are hand tended, from pruning through picking. The crop is severely regulated, with two green harvests in May and August, to maintain just the right amount of grapes on each vine, averaging 2 to 2.5 tons per acre. No insecticides or herbicides have been used in all these years, and we are now CCOF certified organic growers.*
