

Storybook Mountain 2016 Napa Estate Viognier

A very sensual wine, that lures you in with an aroma suggestive of Bosc pears, apricots and wild flowers, followed by a silken richness on the palate, enhanced by hints of peaches. The richness is then tempered, not only by the outstanding acid balance of the wine but also its focused, refreshing and lasting finish.

“... it evokes a very fine sense of concentration and richness with energy to spare, and it is a distinctive, extraordinarily well-crafted Viognier...”
